Who We Are

The Millard Business Community

Foundation is a 501(c)(3) non-profit corporation born out of the Millard Business Association (MBA). The MBA Scholarships and Project Wee Care outreach programs created the need for the MBC Foundation.

We continue to impact our SW Omaha community in many positive ways. Check out some of these ways to be involved:

- May 24, 2017 OmahaGives24! - make an online donation on this day to support our programs.
- June 12, 2017, 11:00 AM Annual Golf Scholarship Scramble—sign up to golf, sponsor a hole, donate prizes, or volunteer your time.
- June & July, Project Wee Care Summer Program provides grants, school supplies, and books to Millard School's summer programs targeting low income students—join us by making a donation today.
- December 9, 2017 Project Wee Care Holiday Distribution Day—sign up as early as August to join the committee, volunteer your time, sponsor a family, organize a drive, or make a donation.

With your help, the MBCF Board and volunteers continue to make a positive impact in our community. We take pride in being good stewards of your contributions.

Our Programs

The Millard Business Community Foundation and Millard Business Association work side by side to reach out to families in our community.

Our Scholarship Program

Since 2004, \$65,000 in scholarships have been awarded to Millard area graduates from Millard North, South and West High Schools and Skutt Catholic High School.

Since 2011 we have added 2 additional scholarships, the “We are All Patriots” scholarships to honor the memory of all who were affected by the tragic events at Millard South on January 5, 2011. These scholarships are awarded to students who have overcome personal challenges to achieve academic success.

We announce our scholarship winners at the Annual MBA Gala held each spring.

Our annual Scholarship Golf Scramble in June supports this program run by our volunteers. Each year we continue to set records in the number golfing and money raised—just one more way to be involved.

The young adults that we help today are tomorrow's future.

YOU CAN MAKE A DIFFERENCE IN SOMEONE'S LIFE!

Project Wee Care

Through combined efforts with local businesses, schools, and individuals we help families in need through Project Wee Care.

Project Wee Care, with the assistance of many volunteers and your donations, provides food, warm clothing, school supplies, and gifts to help families in need. Since 2003 we have reached out to 1,000's of our neighbors.

Project Wee Care is a local charitable organization, run by volunteers, benefiting those living in our community - you know where your tax deductible contribution goes - to someone in Millard.

Imagine being a child and having no bed to sleep in. **Or you are 6 years old** and you can't play outside because you don't have a warm coat or shoes that fit. **Or being hungry** and there is no food for your dinner.

Our Project Wee Care network of volunteers have helped all these children and their families plus untold
